

Do more with your PDFs in Google Drive.

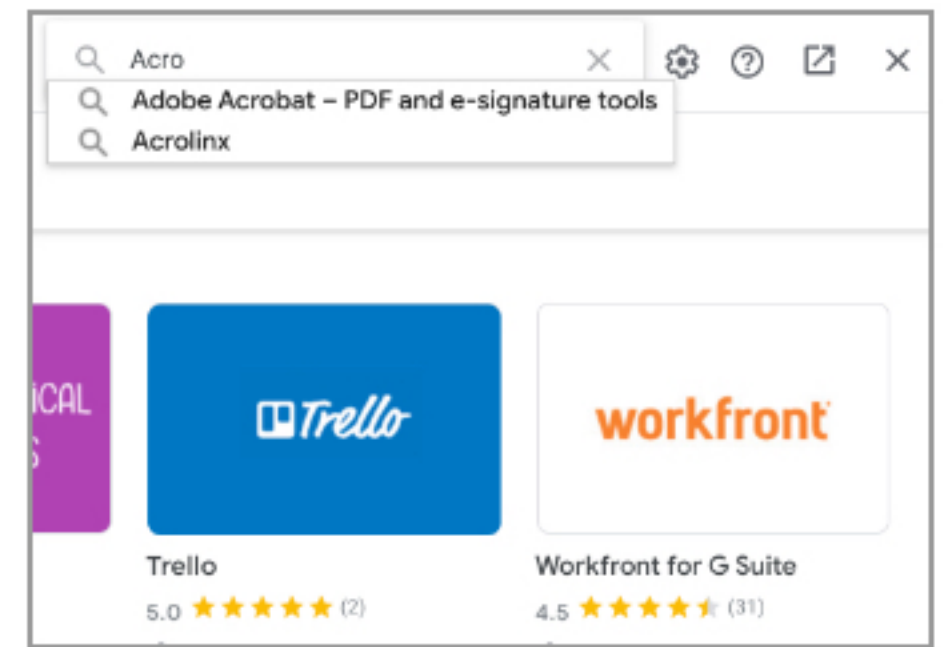

Finish your work faster by using Adobe Acrobat tools right from Google Drive. Install the Acrobat app, then view and add comments to PDFs online for free. Buy a plan to convert, combine, organize, and more.

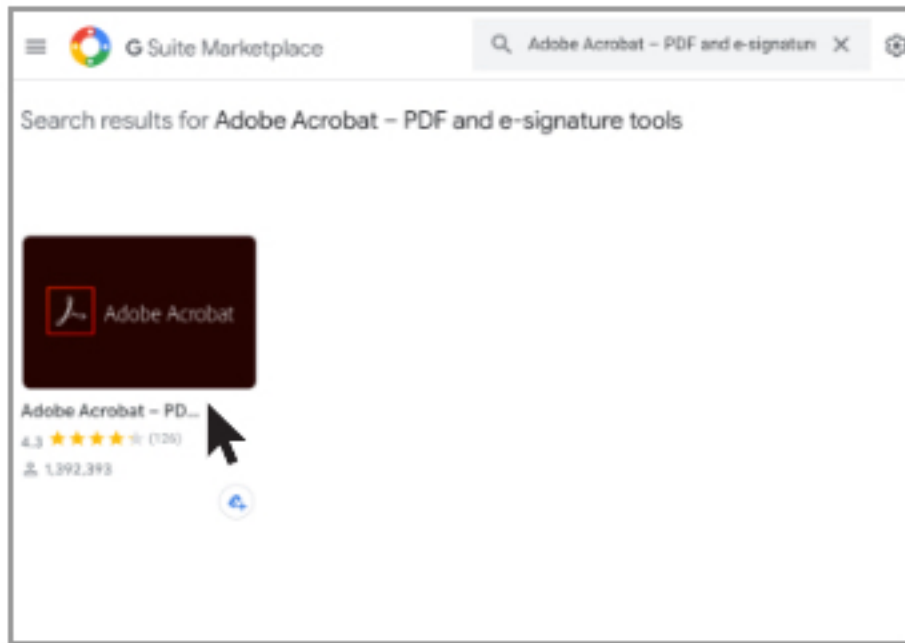

1 Sign in to **Google Drive**.

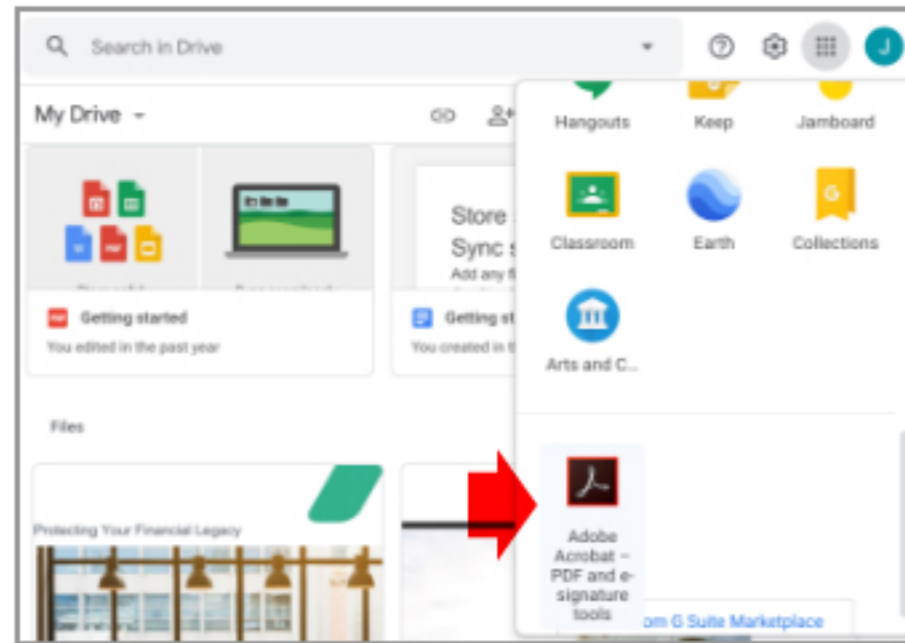

2 Select the **+** icon in the right column.

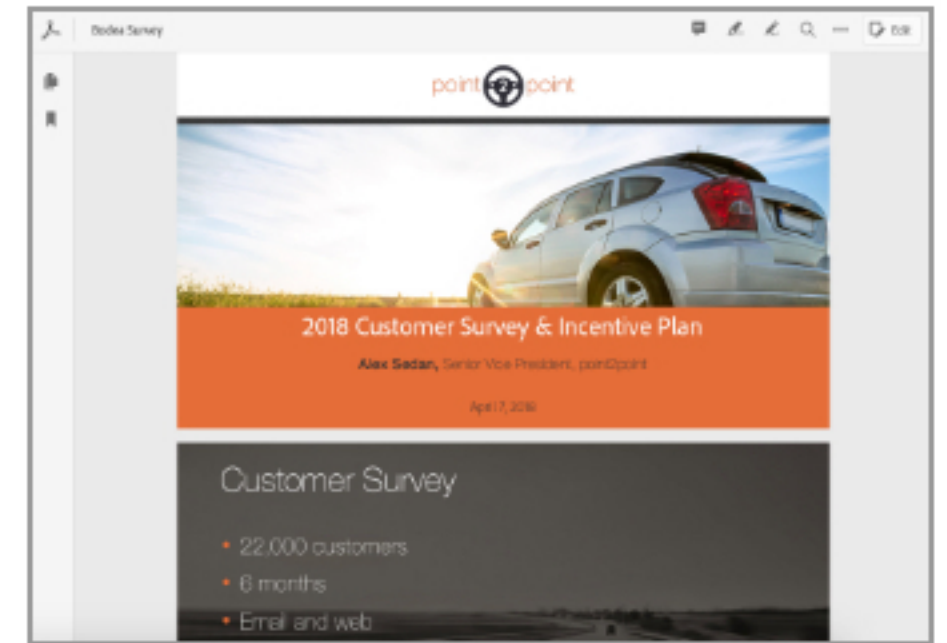

3 Search for the **Adobe Acrobat** app.

4 Click the app, then click **Install** and follow the prompts.

5 Open the **Adobe Acrobat** app from the Google apps option at top right. Scroll down as needed.

6 Open a PDF stored in Google Drive to use free **Acrobat commenting tools**.
